

302°F / 150°C: FlameShield™ EMI / RFI Shield Sleeve

- Lightweight
- Extreme Flexibility
- Excellent Electro-Magnetic Interference and Radio Frequency Interference (EMI / RFI) Shielding 1 MHz to 1 GHz
- Aramid fiber with conductivity
- Expandability
- Approximate 20% attenuation at maximum expanded diameter

- End-to-end shielding solution

FlameShield™ EMI Shield Sleeve						
Part Number	ID Size		Expansion Range		Feet per Spool	Price per Spool
	inch	mm				
S-EMI-M003-02	1/8"	3	1/16	1/4	164	\$ 1234.92
