

500°F / 260°C: Silicone Rubber Coated Woven Fiberglass Tape

non adhesive

High Temperature, Heat & Flame Resistant Heavy Duty Tape & Wrap

Heavy Duty Tape & Wrap, from 1/2" through 40" wide is made from our heaviest grade 98 oz/yd² material.

This tape is made from a heavy woven base fabric, which provides for very little elongation capability. This tape is stiffer than the AB-FT series tapes
